Macha

Natural Wood Flooring

TECHNICAL CHARACTERISTICS

Name	**MACHA**
Typical Size	**Made to measure**
Widths Available	**Made to measure**
Lengths Available	**Made to measure**
Finish	**Lacquered**

The finishes on the wood are applied by hand that deeply penetrate the wood rather than just a simple stain

The wood boards are finished with 7 coats of UV cured Lacquer except on oiled finishes

The construction is Hardwood throughout (Not a hardwood surface with a softwood backing)

The boards are fully guaranteed over Under Floor Heating

MACHA

At GOSS we make parquet and panelled floors in your choice of finish and made to measure to your room. A unique Bespoke Service. Our parquet comes pre-finished and lacquered with a hardwearing matt lacquer.
