

# Granite Setts

## *Natural Granite Blocks*

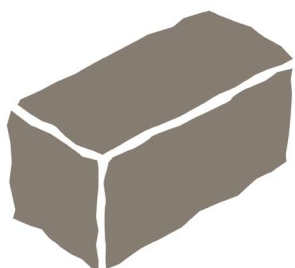

AVAILABLE IN SIZES (mm)

- 200 x 100 x 100
- 100 x 100 x 100
- 100 x 100 x 50

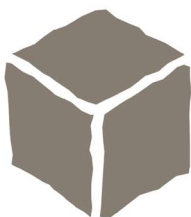

Granite Setts are a highly attractive and versatile product, perfect for driveways, patios, pathways or used for decorative edging or mosaics. Granite provides an extremely hard wearing surface that has been proven to stand the test of time.

Granite has excellent skid resistance wet or dry. If installed outdoors we recommend cleaning periodically with a power washer to remove any build up of mosses or lichens to retain the slip resistant qualities of the stone.

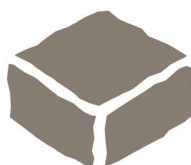

200 x 100 x 100
