

STABLE COTTAGE INTERIOR

Magnificent contemporary master bathroom with Artemis Honed Limestone wall tiles framed by Notus Travertine boarder details.

The flooring tiles are honed Apollo limestone which is more uniform and lighter in colour to not detract from the detail on the walls.

Stable Cottage commissioned by Skyline Building Services Ltd. Mere, Knutsford, Cheshire.

Skyline Building Services have been working in partnership with GOSS Marble for several years now.

Skyline create bespoke individual modern homes combining traditional and modern design. They are exceptional properties bringing together the best of everything.
