

STABLE COTTAGE EXTERIOR

The paving on the driveway is a combination of lengths of Athena and Gaia marble in a lightly tumbled finish.

The paving around Stable Cottage uses a mini Opus pattern of sawn cut Notus travertine for a non slip finish.

Stable Cottage commissioned by Skyline Building Services Ltd. Mere, Knutsford, Cheshire.

Skyline Building Services have been working in partnership with GOSS Marble for several years now.

Skyline create bespoke individual modern homes combining traditional and modern design. They are exceptional properties bringing together the best of everything.

This selection of outdoor areas surrounding Stable Cottage demonstrates the best in contemporary design featuring a variety of GOSS marble and limestone.

Custom lighting design incorporated into the Hera Marble driveway paving bordered with contrasting Gaia Marble.

A detailed view of the Hyperion Opus pattern which is used to surround the outside of Stable cottage.

The outer basement level of Stable Cottage has been carefully planned to incorporate planters and interesting details.

The choice of wall cladding using grey slate and sawn cut limestone adds real depth of texture and makes this aspect of the home more defined.

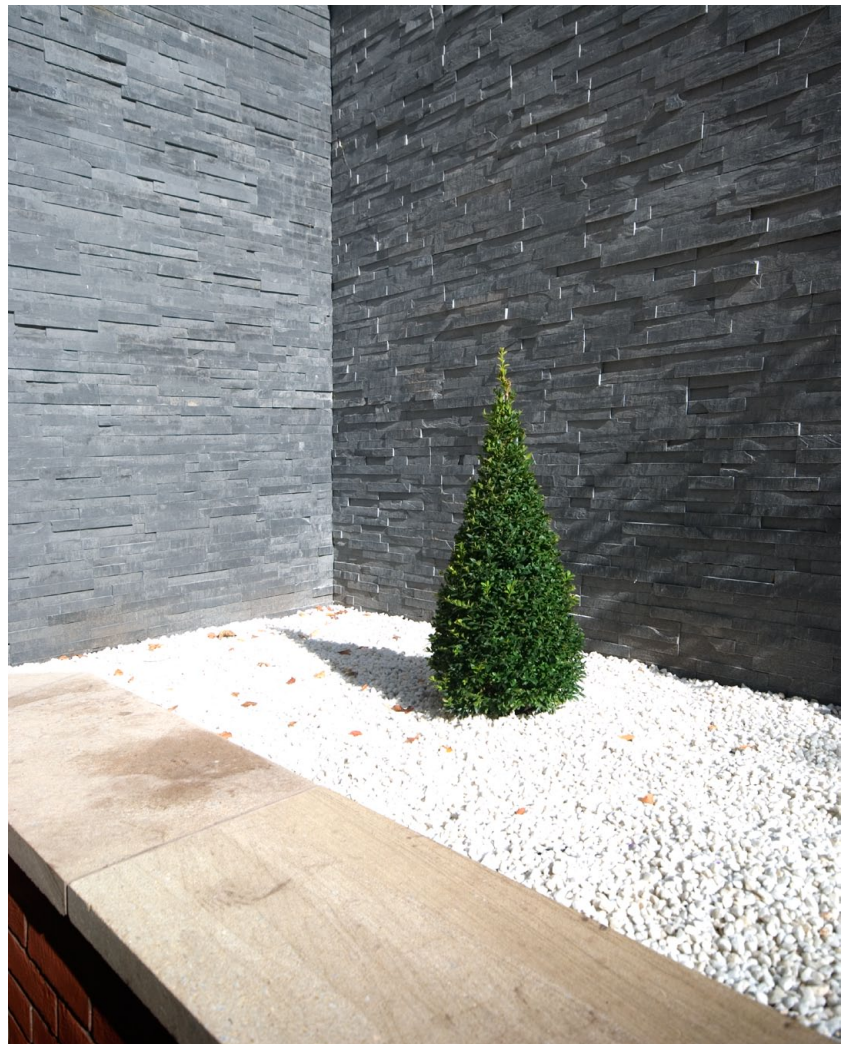

The outer basement level flooring of Stable Cottage uses the GOSS Marble Hyperion Opus pattern of sawn cut Eurys silver travertine for a non slip finish.

Close up details of the chisel cut Apollo limestone and split face grey slate.
