The construction is Hardwood throughout (Not a hardwood surface with a softwood backing)

The boards are fully guaranteed over Under Floor Heating

AMERICAN PRIME BLACK WALNUT

Prized by the finest Cabinet Makers for centuries, there is no other wood quite like Walnut. Its rich dark chocolate color, purplish overtones and complex swirling grain patterns makes it a rare and spectacular flooring choice whether left natural or tinted. The fluid nature of Walnut's grain makes a dynamic statement that seems to be ever-changing.
